About Us

Emirates Institute for Health and Safety (EIHS)

Pioneering HSE Excellence Since 2008

Founded in Abu Dhabi in 2008, the Emirates Institute for Health and Safety (EIHS) has rapidly emerged as the UAE and GCC region's trusted partner for comprehensive HSE solutions. As an **OSHAD-certified leader**, we specialize in transforming workplace safety through:

- Strategic HSE Consultancy
- Rigorous Compliance Audits
- World-Class Training Programs (**NEBOSH/ISO/OSHAD accredited**)
- Specialized HSE Officer Outsourcing

Our integrated approach bridges the gap between regulatory requirements and operational realities, serving clients across all sectors of the UAE and the GCC region's dynamic economy.

Why EIHS Stands Apart:

- ✓ Government-Recognized Expertise: Pre-qualified by UAE authorities with **ISO 9001, 14001 & 45001** certifications
- ✓ Elite Multilingual Team: Industry veterans with global qualifications and local regulatory mastery
- ✓ End-to-End Solutions: From risk assessments to full-scale HSE management systems

Through strategic partnerships with regional and international organizations, we deliver tailored **QHSE** frameworks that protect your people, safeguard the environment, and future-proof your business.

"To redefine workplace safety standards across the the UAE and the GCC region by delivering integrated HSE solutions that protect people, preserve environments, and drive sustainable business growth."

Mission

As a trusted **OSHAD-certified partner** since 2008, we deliver excellence through:

- Strategic HSE Consultancy: Tailored compliance solutions for the UAE and the GCC region.
- Rigorous Audits & Certifications: Third-party verifications aligned with ISO 9001/14001/45001
- Cutting-Edge Training: NEBOSH, IOSH, and OSHAD-accredited programs
- Elite HSE Staffing: Qualified officers for seamless on-site safety management

Backed by a team of multinational experts and government-recognized systems, we bridge the gap between regulation and operational reality—turning compliance into competitive advantage.

Our Core Values

EHHS Core Values

1. **Safety Above All**

- "We don't just meet standards – we redefine them. Every decision prioritizes the protection of people, workplaces, and communities."

2. **Excellence Through Expertise**

- "Our OSHAD-certified specialists combine global best practices with localized knowledge to deliver unmatched HSE solutions."

3. **Integrity in Action**

- "We audit, train, and consult with uncompromising ethics—transparency and accountability drive every partnership."

4. **Innovation That Protects**

- "From VR safety drills to AI-powered risk assessments, we pioneer cutting-edge tools to future-proof your compliance."

5. **Partnership Beyond Compliance**

- "We measure success by your long-term resilience, not just passing inspections. Your safety culture becomes our shared mission."

Elevating EHS Excellence

Forward-thinking organizations across the Emirates recognize that robust Environmental, Health, and Safety (EHS) management is no longer optional but a strategic imperative. At EIHS, we help businesses transform their EHS approach from basic compliance to comprehensive stewardship that protects both people and the planet.

Our holistic EHS framework covers:

1. OSHMS Implementation - From gap analysis to full system deployment
2. Compliance Audits - Annual OSHMS verification and improvement
3. Environment, Health and Safety Risk Assessment
4. Control of Substances Hazardous to Health (COSHH)
5. Quality Assurance and Quality Control Management
6. Risk Management Plan/Emergency Management Plan
7. Environmental Monitoring - Air, water, light and noise assessments
8. Environmental Risk and Impact Studies
9. Office Safety (Ergonomics)
10. Supply of Escape & Risk Plans
11. HSE Staffing Solutions - Qualified officers for any project duration

Backed by global best practices and deep local expertise, EIHS delivers customized strategies that meet both UAE regulations and international standards. Our network of partners ensures you receive the most advanced EHS solutions available today.

Occupational Health & Safety (OHS) Solutions

At EIHS, we recognize that workplace safety extends far beyond compliance – it's about protecting your most valuable asset: **your people**. Our comprehensive OHS services safeguard not just employees, but their families, customers, and communities impacted by your operations.

Aligned with OSHAD Standards Since 2010

As Abu Dhabi's Occupational Safety and Health Center (OSHAD) leads the emirate's safety initiatives, EIHS serves as your trusted partner in implementing integrated OHS management systems that:

- Reduce workplace incidents and injuries
- Promote long-term employee wellbeing
- Maintain compliance with evolving regulations

Our specialized OHS consultancy services include:

1. Health Risk Management

- Comprehensive Health Risk Assessments (HRA)
- Job-specific fitness standards development
- Preventive programs for noise, respiratory, and heat stress hazards

2. Workforce Health Solutions

- Employee Assistance Programs (EAP) development
- Sick leave and absenteeism management systems
- Pre-employment and periodic medical examinations

3. Environmental & Facility Safety

- Air/water quality and noise/light monitoring
- Disinfection and sterilization protocols
- Remote industrial medical facility setup

4. Policy & Emergency Planning

- Occupational health policy development
- Medical evacuation (medivac) procedures
- Referral system implementation

Backed by OSHAD-compliant methodologies and international best practices, EIHS delivers turnkey OHS solutions tailored to your organization's unique risks and requirements.
